Take a closer look at some of the best places we have been skydiving as you start your journey today.

Left Photo: Kelley's Island. Take a day trip and get to see such a beautiful island located in Lake Erie. After you handglide, go check out the island.

Boat: Get amazingly close to the water and see all the different activities happening on the water.

Sunset: As you gain more experience, opt for a sunset glide to get amazing views.

Go spend the day in Sandusky. See the amazing views and spend the day on the beach or go hit the rides.
